

If you're interested in the history of Quebec north of the 55th parallel from the perspective of an Inuk who has helped to shape that history, you should pick up Zebedee Nungak's latest book, *Wrestling with Colonialism on Steroids: Quebec Inuit Fight for Their Homeland* (Véhicule Press, 2017).

For Louise Abbott's review in the *Montreal Review of Books*, please see [Wrestling with Colonialism on Steroids](#)
