Written by Administrator

<p>As a personal video project, Louise Abbott followed the dismantlement of a beautiful nineteenth-century high-drive barn in Knowlton's Landing and is now documenting its restoration a few miles away in Austin. This barn was featured in [The Heart of the Farm](index.php?option=com_content&view=article&id=144:the-heart-of-the-farm&catid=37:info). The photo of the barn intact is undated, but it goes back more than twenty years. The next photo was taken on April 21, 2010. The third photo was shot on July 3, 2010. The fourth photo was shot on August 21, 2010, the first day of the restoration. The final photo was shot on September 25, 2010.</p> <p style="text-align: center;"></p> <p style="text-align: center;"></p> <p style="text-align: center;"></p> <p style="text-align: center;"></p> <p style="text-align: center;"></p>
