

Lake Memphremagog: An Illustrated History

Written by

The short-lived Gibraltar Hotel can be seen across from Georgeville in this nineteenth-century view of Lake Memphremagog by W.S. Hunter.

Louise Abbott and Niels Jensen are now at work on an illustrated history of Lake Memphremagog. It will feature a text based on archival research and oral history interviews by Louise, along with historical images and contemporary photos by both Niels and Louise.

Do you live or have you lived in the vicinity of Lake Memphremagog? Do you have stories to tell about the lake? Do you have old pictures taken on or around the lake? If the answer to any of these questions is "yes," we'd love to hear from you! Our email address is: louise@ruralroutecommunications.com
